Hello 2017 Teams!

Week 2 is coming to an end! I hope your students are having fun!

1. FIELD DAY

Below, I have listed important information about field day.

Field Day: June 26th
Time: 8:45am-2:00pm
Where: Huntsville Space and Rocket Center

I have only received student field day lists from 5 teams. The teams attending this year will be:
Birmingham YMCA Greystone
Fort Payne
Piedmont Community Learning Academy
Gadsden City
Stevenson Middle

Also, please make sure you get release forms from all students and scan-email them to me. We will need to have all release forms from students and adults on file.

The map for the Space and Rocket Center can be found here! We will meet the buses to get onto the base by the Educator Resource Center parking lot. Please DO NOT be late. Once the buses depart from the parking lot, you will not be able to get onto the base and participate in Field Day.
Lunch will not be provided for field day. Please make plans for students to bring their own lunch/snacks. Also, we will be on a secure part of the base and this year, you will not be able to leave to get food and bring it back. Please plan accordingly.

Everyone, including parents, must meet no later than 8:45 to load new buses at NASA. These buses will take us onto a secure base. Once on base, no-one (including parents) will be able to leave until buses bring us back at 2:30.

Remember, **no small children** may attend the tours due to safety. If you must bring a small child, under 7 years of age, they must stay in the classroom with a parent/guardian. Keep in mind they will be in there approximately 6 hours with nothing around to play with. Please make other arrangements if possible.

### 2. CODE DEADLINES

<table>
<thead>
<tr>
<th>Date</th>
<th>Event</th>
</tr>
</thead>
<tbody>
<tr>
<td>June 12 (Mon)</td>
<td>Start of Session 1</td>
</tr>
<tr>
<td>June 19 (Mon) or June 20 (Tues)</td>
<td>Field Day (ALABAMA-JUNE 26)</td>
</tr>
<tr>
<td>June 30 (Fri), 5:00pm local time</td>
<td>Practice Code Deadline</td>
</tr>
<tr>
<td>July 12 (Wed), 5:00pm local time</td>
<td>Regional Code Deadline</td>
</tr>
<tr>
<td>July 12th to July 19th</td>
<td>Statewide Communication &amp; Collaboration to Develop Winning Code</td>
</tr>
<tr>
<td>July 19 (Wed), 5:00pm local time</td>
<td>ISS Code Deadline</td>
</tr>
<tr>
<td>June 29th (or prior)</td>
<td>Students Videos (45sec) Due to MIT - multiple videos accepted</td>
</tr>
<tr>
<td>Date TBD (Btw June 30 and Aug 11)</td>
<td>ISS Finals</td>
</tr>
</tbody>
</table>
3. REGISTERING YOUR TEAM/TEAM ROSTERS

The Zero Robotics staff at MIT contacted me and told me that only 3 teams have officially registered their students online. These teams are

Stevenson Middle
Gadsden City Schools
Fort Payne

All other teams must register their students on the rosters found here! Do this IMMEDIATELY!!!!

I hope everyone had a wonderful second week and please let me know if you have any questions. Please email all technical questions to ZeroRobotics directly.

Thank you!

Shannon Bales, M.Ed.
